

# Count Me In!

Whether you only have a couple of hours to give or are willing to make a longer commitment – AFP has opportunities for you to get involved.

In return for helping to shape the future of your chapter, AFP promises the following in return:

- Meaningful activities that build new skills
- An opportunity to network with your professional peers
- Points towards your CFRE certification or recertification requirements
- Professional relationships that can evolve into friendships, references and more
- Respect for your time
